***Democrats Believe...***

- In equal opportunity for all citizens.
- In rewarding honest, hard work with a living wage and in a tax system that is fair.
- In family values that are more than a political slogan.
- In quality education that gives all citizens the opportunity to reach their potential.
- In freedom from government interference in our private lives and personal decisions.
- That individual strengths in our diverse population are a benefit.
- In security in our homes and safety on our streets. Criminals should face swift and certain punishment.
- In separation of Church and State to preserve the freedom to pursue our beliefs.
- In a strong United States - morally, economically, and militarily.
- In common-sense reforms that give us cleaner, safer air and water.
