

**Second Congressional Central Committee January 8, 2008**  
**Burnhaven Library 6:30-8:15 PM**

U.S. Senate candidate Jack Nelson-Pallmeyer spoke regarding three key areas impacting our future: addressing global warming, ending the Iraq war and changing foreign policy, achieving economic fairness and government for the common good. Jack said we have been divided too long by the politics of fear and it's time for us to come together around our hopes. More info at <http://www.jackforsenate.org/issues.htm>
