

Second Congressional Central Committee February 12, 2008
Burnhaven Library 6:30-8:15 PM

- U.S. Senate candidate Mike Ciresi spoke to CD2 about his many accomplishments and his stance on ending the war in Iraq and health care. Mike points to healthcare as the number one domestic issue. He also addressed education and the environment. Mike says he was opposed to the war from the start. More information at: <http://www.ciresiforsenate.com/>
- Next, Matt Entenza spoke about Minnesota 2020, a non-partisan progressive think tank that focuses on the issues that matter to highlight the need to prepare today for tomorrow's significant demographic changes. Matt encouraged us to send in stories and information to his group. More information at <http://www.mn2020.com>
- Introductions
 - Several new precinct chairs were present and introductions made to CD2
 - Congressional candidate Steve Sarvi spoke briefly to the group
- Caucuses
 - There as a discussion about caucuses = how it was, what worked, thoughts on changes.
 - Most the SD should have delegates and alternates entered by now. If not see Jane or Sue Moravec for assistance in data entry.
- CD2 Committees
 - The Conveners for CD2 Convention committees were announces. If anyone else wants to assist let Jeannie Thomas know. In addition, there was a reminder that each SD can place 2 representatives on each committee (one male/one female). The committees will meet April 12 and are:
 - Arrangements,
 - Endorsement,
 - Constitution,
 - Nominations, (only delegates/alternates to CD2/State Convention can serve on Nominations)
 - Credentials.
- SD Conventions
 - List was updated and will be posted on the website. One of the three officers (Jeanne, Ken or Jane) will try and attend each of the conventions. If any SD needs help contact us. By now each SD should have identified a convener.
- Next Meeting
 - CD2 next meeting will be April 8 at 6:30. We will ask Rep. Shelley Madore if she is available to give the 40 minute presentation that focuses on HF2522 – Universal Single Payer Health Care Bill.
