

TEMPORARY AND PROPOSED RULES

2018 DFL SECOND CONGRESSIONAL DISTRICT CONVENTION

GOVERNING AUTHORITY

1. Upon all matters not governed by the State DFL Party Constitution and Bylaws, Official Call, the Congressional District Constitution, and these Rules, Robert's Rules of Order, newly revised (latest edition) shall govern for procedural purposes only. Provisions of the Official Call shall take precedence over any other party rules at any level wherever a conflict exists.
2. A majority vote of the convention is required to adopt these rules and the agenda. Once adopted, these rules and the agenda shall govern unless suspended or modified by a two-thirds vote of the convention.
3. The quorum for conducting any business of the convention is a majority of the registered delegates.

SEATING OF DELEGATES AND ALTERNATES

4. Registration of delegates and alternates to the convention shall continue until adjournment. Newly registered delegates and upgraded alternates may not enter while the floor is frozen.
5. Each Organizing Unit delegation shall elect two delegation co-chairs for purposes of alternate seating, roll calls and ballot voting. The Convention Chair shall instruct the convention as to the duties each delegation chair will be expected to perform during the convention. The name of each delegation chair shall be reported promptly to the Convention Chair. Any delegate shall be eligible for election as delegation chair.
6. The seating of delegates and alternates shall be governed by the following:
 - a) All registered delegates (not alternates) on the temporary roll shall be seated.
 - b) The convention shall hear and resolve any challenges regarding delegate or

alternate seating pursuant to the Official Call. Challenged delegates or upgraded alternates shall not be allowed to vote on their own challenges.

- c) Any delegates or alternates entitled to be seated after all challenges have been resolved shall go to the registration table with their delegation chair so that proper seating can be arranged. As soon as practical after verification of a quorum, the registration staff shall function inside the convention hall so as to permit its members to maintain a consistent and accurate delegate count by Organizing Unit while participating as convention delegates. Alternates elected at large shall be upgraded to delegate status according to their numerical ranking on the Organizing Unit report. Alternates elected through subcaucus voting systems will be upgraded to delegate status in the order reported within their subcaucus. If there are no alternates available from within a subcaucus, alternates will be raised from among the highest ranking alternates within the other subcaucuses by a lottery in which each subcaucus will be represented in proportion to its delegate allocation strength.
- d) When leaving the floor for more than 15 minutes, a delegate or upgraded alternate shall leave their credentials with their delegation co-chairs, so as to insure that there is a full delegation on the floor at all times, and to maximize the opportunity for alternates to have floor time and participate in the convention.
- e) Six floor passes for candidates for endorsement; three floor passes for party office to those positions that are on the agenda to elect at this convention shall be issued. Candidates must be credentialed.
- f) A temporary delegate badge shall be issued to an appropriate alternate when the alternate is raised to delegate status. There shall be no upgrading of alternates during any voting process. If the upgraded alternate is subsequently

returned to alternate status, the alternate's delegate badge shall be immediately surrendered.

- g) Non-upgraded alternates and visitors shall be seated separately from delegates and shall not be allowed on the convention floor during the convention.
- h) Special floor passes shall be issued for an interpreter or other personal care assistant for any delegate or upgraded alternate who submits a request to the credentials committee. Such persons may be seated in close proximity to the delegate or alternate they are assisting, but shall play no role in the convention.
- i) During the counting of written ballots, each candidate for the office being tallied is permitted to have one representative/observer present.

SPEECH AND DEBATE RULES

20. No delegate may speak until recognized by the Convention Chair. Speakers will first state their name and Organizing Unit. No person may speak more than once on an item of business until all others on that side who wish to do so have had an opportunity.
21. Unless otherwise provided for in these rules, no delegate shall speak for more than 2 minutes on any item. The chair will rotate speaking privileges among floor microphones and between proponents and opponents of a measure to the extent possible. Debate will terminate when 3 speakers have been heard on each side.
22. With respect to credentials challenges to delegations, prior to the floor debate, speakers on behalf of both the challenged delegation and the challenging delegation shall each be allowed 5 minutes in total to present their positions, with the challenged delegation speaking last.
23. A properly nominated candidate who is dropped under the drop rule, or who voluntarily withdraws, may address the convention for up to **2 minutes** (with additional time in the discretion of the Chair) immediately after withdrawing, or before or immediately after the ballot result is announced.
24. Any motion to table shall be considered as though it were a motion to postpone indefinitely. A motion to postpone indefinitely does not preclude amendments to the main motion. The motions “to reconsider and enter on the minutes” and “to object to consideration” are not in order. The motion to reconsider is in order and will require a two-thirds vote.
25. Any amendment to a motion or resolution which removes, changes, or adds **5 or more words** must be submitted in writing to the Convention Chair before being considered. When the motion to amend is made, it must be seconded. Amendments take a majority

vote for adoption.

26. Incumbent DFL office holders, declared DFL candidates and other party dignitaries may address the convention at the discretion of the Convention Chair. Such visitors will limit their remarks to no more than **2 minutes**, with additional time in the discretion of the chair.

PARTY OFFICER ELECTIONS

27. The Chair shall call for a report of the Nominations Committee and then call for nominations from the floor. Any person nominated from the floor for the following positions shall be required to have screened with the Nominations Committee (Chair, Vice Chair, Outreach Officer, Secretary, Treasurer). Anyone being nominated from the floor for a position open for election, other than those mentioned above, shall not be required to have previously screened with the Nominations Committee.
28. The Nominations Committee may recommend its members as candidates for party office, state pre-convention committees, or party standing committees subject to the following limitations:
 - a) A member of the Nominations Committee may screen for and be recommended for a Director position, with no need to excuse themselves from screening other applicants for that position or participating in committee votes on that position.
 - b) A member of the Nominations Committee may screen for and be recommended for a position other than a Director position, provided that they do not participate in screening other applicants for that position or in the committee’s vote on its recommendation for that position.
 - c) Recommended members of the nominating committee shall be so identified to the convention.
29. The Vice Chair (not of the same gender identity as the Chair), shall be elected by a majority vote. Voting will be conducted by separate ballot for each position. If none of

the nominees for an office receives a majority vote on a ballot, the nominee with the least number of votes will be dropped on the next ballot, provided that at least two candidates remain on the ballot.

30. The convention shall elect 19 Directors as specified in the Constitution, with gender identity balance. If delegates sufficient to elect one Director request proportional voting for Directors, the convention will use the Walking Subcaucus system provided in the Official Call following the rules stated in the Walking Subcaucus section of these rules. If proportional voting is not used, Directors will be elected by majority vote of the convention.
31. If a quorum is lost and cannot be regained, all unfilled offices shall be referred for election to the Second Congressional District Central Committee.

WALKING SUBCAUCUS

32. If a Walking Subcaucus system is used, delegates will have initial period of 10 minutes after subcaucus nominations are completed to move to the subcaucus of their choice. If all remaining subcaucuses are viable on the first count, then there shall be no second count. If any subcaucus is not viable on the first count, the Chair will announce an additional 5 minute period during which delegates can move among the remaining subcaucuses.
33. The Convention Chair shall ensure that all Walking Subcaucuses are moving smoothly and assist those that are running behind.

ENDORSEMENT RULES

34. Endorsement of a candidate for Congress requires a sixty percent affirmative vote of the Convention.
 - a) Each candidate (and/or their chosen representative(s)) shall be allowed up to 15 minutes to address the convention.
 - b) In contested elections, a question and answer period will follow the rules in the Question and Answer section of

these rules.

- c) Candidates receiving less than 10% of the vote will be dropped after the first ballot. On subsequent ballots, the drop off percent will be raised by [5%] each ballot. In addition, after the 4th ballot, the lowest remaining candidate will be dropped regardless of the percent. However, in no case will this drop off rule be used to reduce the number of candidates remaining on the next ballot to less than two.
- d) If no candidate for endorsement has received sixty percent of the votes cast after five ballots, a motion to have no endorsement will be in order at any time thereafter, and will pass with a 60% vote. In that event, balloting shall terminate and the 2nd Congressional District DFL will not endorse for that position prior to the primary election.

QUESTION AND ANSWER

35. There will be a question and answer period after candidate presentations as follows:
 - a) The first question shall be "Will you suspend your campaign if someone other than you is endorsed by this convention? Yes or No answer only."
 - b) There will be 7 additional questions addressed to all candidates, to be selected in the following manner:
 - 1) Proposed questions from delegates and seated alternates must be submitted in writing no later than the completion of candidate presentations.
 - 2) All questions must be:
 - i. Legible
 - ii. General in nature and addressed to all candidates
 - iii. Cover a single topic
 - iv. Not in the nature of a personal attack
 - v. Possible to answer within a 1 minute period.
 - 3) A committee composed of one representative of each congressional campaign shall screen all questions and select, by unanimous vote, 3

questions to be addressed to all candidates. If the committee is unable to promptly complete the selection process, selections shall be made by the Convention Chair.

- 4) The order of response for the first question will be established by lot and will rotate for each subsequent question.
- 5) Each candidate shall be allowed 1 minute to answer each question.
- 6) Each campaign's representative may select 2 additional questions to be asked of all candidates beginning with the candidate whose campaign they represent. The order in which these 4 additional questions are addressed to candidates shall be determined by lot.
- 7) The Convention Chair shall ask the candidates each question in turn, but shall not read any preliminary remarks, statements or explanations included with the questions.

MEDIA RULES

36. There shall be a designated Media Area. A Media credential shall be required for access to the Media Area.
37. Media Credentials shall not be allowed on the convention floor when a vote is being taken and the floor is frozen.
38. Members, representatives and affiliates of non DFL organizations and campaigns, including campaign trackers, shall not make audio or video recordings of any kind, at any time during this convention, without having first obtained the consent of the Chair of the 2nd Congressional District. Said consent may be withdrawn at any time.
